

TO ALL CONSULTANTS

RE: Disclosure Form - Outstanding Work

The purpose of this form is to disclose the outstanding work your firm has with the Authority, which includes both the Turnpike and Parkway. The outstanding work is defined as all work your firm anticipates to bill the Authority in the next 18 months. Do not include work to be performed by your Subconsultants. However, work your firm has as a Subconsultant should be included. Include recent Consultant Selections (unexecuted OPS), all executed OPS's, and Supplements with outstanding work and Supplements that under normal conditions should be executed and billable in the next 18 months. Generally, firms with the most billings will receive a lower rating than firms with lesser billings.

The Review Committee will only consider workload at the time of reviewing this Expression of Interest for selection and/or short listing. If this project requires a technical proposal, workload will not be considered again.

The undersigned certifies that the foregoing information regarding outstanding work is true and accurate as of _____. I am aware that if any of the foregoing information provided herein is willfully false, I am subject to punishment as provided by law.
